Is there any strange community?

I wanted to find out if the size of the community affects the length of the content, and if any community had a particularly long content length.

size_of_community	average_length_of_content
1	1486.0
4548	581.5406772207564
1	420.0
1	302.0
1	245.0
1	196.0
1	145.0
1	139.0
1	123.0
1	108.0
1	105.0
1	93.0
1	90.0
1	90.0
1	87.0
1	86.0
2	81.0
1	78.0
3	68.0
1	67.0

The size of community doesn't really affect the content length, but there is **one strange community with nearly triple the content length** compared to others.
